

VISITATION GUIDELINES

IF you have COVID/FLU or any other contagious illness, you MUST mask before entering the facility and remain masked throughout your visit.

Visiting Hours:

Med/Surg & ICU: Daily between the hours of: 8 a.m. – 8 p.m.

Children are discouraged from visiting due to infection control precautions.

ER patients may have 1 caregiver at the discretion of the clinical team.

SBCU visitation is by appointment only, scheduled by unit staff.

Pediatric patients may have both parents present for the entire stay.

- **Patients on any form of ISOLATION will be allowed limited visitation, and personal protective equipment will be provided.**
- **Special accommodation may be made at the discretion of Leadership for any circumstance.**
- **Limitations may be enforced at the discretion of Leadership.**
